

CALEB CARES FOUNDATION

THE CALEB CARES ANTI-BULLYING PLEDGE

1. I, TYPE YOUR NAME HERE , pledge to stand up to bullies and be a friend to those who are being mistreated both in person and online.
2. I will use my voice when someone is being bullied or find a trusted adult if I'm in a situation that I cannot handle alone.
3. Everyone deserves to feel safe and respected, and I will do my part to create a kind and inclusive environment.
4. By using my superpowers of courage and kindness, I will help create a world where bullying is not tolerated, and everyone feels accepted for who they are.

By signing this pledge, I join Caleb Williams' team of superheroes fighting bullying.
